

Mylar-edged pages

Durable page tips for added protection.

The library-bound **ELITE** album is ideal when the presentation must be nothing less than premium. **ELITE** album covers and pages are bound together, so there are no additional inserts to buy. The full-size, large **ELITE** album is designed to use the same mats as the large **FLORA** albums, resulting in improved cost efficiency and greater convenience. The medium **ELITE** album holds 8x8 prints without the use of additional mats you need only purchase the album; or mats are available to accommodate 4x5, 5x7 or 4x6 prints. Similarly, the 5x5 **ELITE** album holds 5x5 prints without mats; or mats are available to accommodate 4x5 or 3½x5 prints.
